

PRIMARY YOUNG LEADERS TRAINING

DELIVERY OPTIONS

Our primary leadership training programme introduces the fundamentals of leading others and teaches young people the basic skills to be an effective leader in sport and physical activity sessions. It is a great opportunity for young people to be involved in sport and physical activity in a different way, supporting their peers to be active and to have fun back at their school.

Programme Outcomes

- To develop a skilled pupil workforce to support the delivery of fun, physical activity sessions in school.
- To develop and nurture essential life skills such as: confidence, communication, organisation & resilience.
- To raise aspiration within school for young people to lead and support others.
- To support 60 Active Minutes each day for all children.
