School Games Mark 2025

This year's School Games Mark application will open on Wednesday 30th April

The School Games Mark is a government led awards scheme launched in 2012 to reward schools for their commitment to the development of PE and sport across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress.

Schools will need to action the following before starting the application:

1. Login or Register in the School Games website – www.yourschoolgames.com
2. Complete your school's Inclusive Health Check through the website dashboard
3. Make yourself familiar with the [School Games Mark Criteria](#)

We had a fantastic response last year and would encourage all schools to apply for this award again.

If you would like any further support with your application please contact: Charlotte (Primary & Secondary Schools), Jo (Primary Schools), Amy (Secondary Schools) or Tom (Special Schools).

60 Active Minutes

April, Spring Activities

Inspire Together are joining four-time Olympian Mo Farah in his mission to ensure that all children and young people are active for at least 60 minutes a day. 'Mo's Mission', as the newly crowned National School Sport Champion, is to empower children in the UK to be more physically active every day through PE, Sport & Play.

To support the 60 Active Minutes campaign we have launched a dedicated page on our website filled with fun activities and ideas to inspire movement for young people and their families, which is refreshed each month. We have even included a half-termly prize draw for parents of any children who have attended an Inspire Together session or event to win sports equipment & goodies.
