# WEEKLY UPDATE

## ALL SCHOOLS

### Holiday Activity & Food (HAF) Winter Camp 2024

We ran a very successful Winter HAF Camp during the school holidays at CrownHills CC. Over 55 children aged 5-16 years attended the 4-day camp in January and enjoyed a range of activities, from dance to quizzes! They also enjoyed crafting 'winter creations' such as snowflakes and paper chains. They took part in different Health and Wellbeing activities including food plate Boccia!

Parents and carers were invited to join their children for a celebration of their week on the final day, with a presentation of certificates and gifts for all participants.

## PRIMARY AGE GROUPS

### Green House Sports:

### Opportunity for a free coach in your school from March 2024

[Greenhouse Sports](#) is a charity that believes every child deserves a fair chance to success in life. They partner with schools providing inspirational sports coaching and mentoring for children who may be disengaged to develop key life skills that help them thrive.

Several schools across the city now use Greenhouse Sports to employ full-time coaches within their establishments to enhance their PE & Extra-curricular provision. The coaches also act as mentors for young people using sport as a vehicle to develop transferable skills.

The charity currently has an additional coach that is available and can work with a primary school in Leicester. They are available to start in March 2024, and the partner school would get the service of the coach free until September 2024. There is then an expectation that the school will continue the partnership with Greenhouse Sports into the next academic year, for which it would cost the school approximately £17,000 per year for a full-time coach, the rest of the salary would be covered by the charity.

**Chris Allbutt is the contact at Greenhouse who would be keen to hear from any schools who would benefit from the programme: [Chris.Allbut@greenhousesports.org](mailto:Chris.Allbut@greenhousesports.org)**

### Leadership

Our primary leadership training programme introduces the concept of being a leader and teaches young people the basic skills in leading others in sport and physical activity sessions. It is a great opportunity for young people to take be involved in sport and physical activity in a different way, supporting their peers to be active and to have fun back at their school.

### Core Leadership programme

[Available to all member schools - access the resources here.](#)

This resources is online for staff to deliver to groups in your schools. the resources are downloadable and the powerpoints are narrated to support consistent delivery.

### Enhanced Leadership programme

Only available to those member schools who have signed up on their Intention to Engage (small additional cost on top of membership). Hard resources are provided for up to 30 leaders and schools will be invited to a face-to-face training session which will build on the skills developed through the core training programme and give the leaders opportunity to practice their skills and work with groups from other schools.

Dates have been confirmed for the enhanced face-to-face leadership training (below). Charlotte will be sending a further email to those schools involved by the end of this week with further details.

West Leicester City Schools – Monday 4th March at The Watershed, 10-2.30pm  
East Leicester City Schools – Monday 18th March at The Watershed, 10-2.30pm

## Boys Move - Supporting Boys with their Emotional Understanding

Boys Move is a Confidence/Behaviour Intervention Programme included within the secondary membership offer (if selected from the available programmes).

The intervention targets groups of boys from one or two year groups in KS3 who have been identified as having low confidence/self-esteem and/or negative behaviours within school and need support around emotional understanding/control & stress management.

It is a 10 week programme of coach delivery in which students will participate in a weekly physical activity and discussion based sessions where they will explore their feelings and emotions around themselves, school, their bodies and more.

[To find out more about the programme and how it has already benefited boys across the city, please click here.](#)
