Head Teacher of the Year - Leicester Winner!

Pearson National Teaching Awards

We are delighted to confirm that Farhan Adam, Head Teacher of our host school Crown Hills Community College has won the prestigious Pearson National Teaching Awards Secondary School Head Teacher of the Year Award 2023! The award was announced on Wednesday's BBC 'One Show' last night after a surprise visit from BBC presenter Matt Allwright to the school last week.

We extend our congratulations to Farhan who has always been a great advocate for the work of our networks locally and nationally - Well done Mr. Adam, a fantastic achievement!

Inclusive Education Hub - FREE Resources for Schools

As part of YST's Inclusion 2024 programme, a free online resource hub has been developed to support teachers to include all young people in their PE and School Sport offer in partnership with the Activity Alliance.

The Inclusive Education Hub is the result of collaboration with schools, expert practitioners, local, and national partners. It is built based on the growing concern that many disabled children continue to miss out or have negative experiences in PE and school sport. Through the Inclusive Education Hub, PE Teachers can complete a self-assessment to reflect on their inclusive delivery.

Once completed, teachers receive a personalised report providing useful resources, suggested actions and considerations for them to improve their inclusive practice.

Royal Opera House Partnership CPD Opportunities

We are still looking for more Leicester infant, primary and special schools to link with the Royal Opera House to explore creativity through dance.

The award winning 'Create and Dance' programme includes staff CPD, online sessions with professional ballet dancers, a 5 week scheme of work and a multi-school sharing event themed around 'Alice's Adventures in Wonderland' which gives the opportunity for cross-curricular learning and story-telling.

Create & Dance enables you to:

- Enhance your existing curricula in KS 1&2 PE
- Apply an innovative approach to a subject or topic and develop creative approaches across curricula, particularly spring boarding into literacy and creative writing.

Book your FREE place here to be part of this unique, award-winning programme.

SECONDARY AGE GROUPS

Barclays Game Changers

Barclays Game Changers (Girls' Football in school individual leadership opportunity)

Do you have a great female leader aged 12-15 within your school/college who has the potential to be one of Leicester's Barclays Game Changers?

What is the Programme?

Barclays Game Changers are inspirational female leaders supporting girls' engagement in football in their local area as part of a wider community of young women and girls across England supporting #LetGirlsPlay

The Game Changers will:

- Create a local change and advocate for girls' football across their own secondary school or academy trust (this can cover both curriculum and extra-curricular spaces)
- Using their powerful story and passion for football, recruit a team of ambassadors or allies to support the message for equal access to girls' football. This might start in their secondary school and expand further across your network schools
- Using key moments such as the #LetGirlsPlay Biggest Ever Football Session and the FIFA Women's World Cup 2023, Barclays Game Changers will help to set up and run events or festivals to impact locally and across the partnership

Will they receive training?

New Barclays Game Changers will need to attend a 90-minute virtual live session which will give them the skills and confidence they need to start their journey with the programme.

Being a Barclays Game Changer will open a wide range of opportunities both locally and beyond with the right support from their school. This could range from inspiring girls in-school who don't currently play to attending national training opportunities and international matches!

What next?

We have 16 spaces available across the city, 8 East and 8 West.

[Please access the teacher information booklet here](#) for more information.

Please send your nominations through to jgadsby@crownhills.leicester.sch.uk by Friday 8th December, with a description of why the student has been nominated. Applications will then be sent through to Barclays in January. All students nominated by their school to be a Barclays Game Changer will receive a certificate.
