COMMUNITY

HAF Camps

This year saw us deliver HAF camps during the Christmas, Easter and summer holidays providing food and healthy activity for 106 young people in total. Activities included Sports, Arts and crafts, and nutritional education and guidance.

Family Fun Festival

We ran our first family fun festival at crown Hills Community College. The day was a huge success with over 450 people of all generations attending on the day. We had 18 community sports organisations providing free tasters for all on the day including a diverse range of sports like cycling, Flag Football, Fencing, Golf, Football, Walking Rugby and more!

PARTNERS ENGAGED WITH...

Local community partners:

Programme Partners:

THANK YOU FOR YOUR FEEDBACK...

"Children really enjoyed the morning. Some children said it was the best trip ever!"

"An excellent range of activities offered to us and well supported".

"Great to see KS1 Children enjoying and participating at this early stage."

"Really impressed again this year with the variety of competitions and events on offer to our school and children. By naming the type of event has allowed me to select the children more appropriately for each event. For example children struggling to find a new sport."

"Events are always engaging the children learn about new sports that they may not have taken part in before."

"Our school have loved the virtual competition elements, as its hard to get out to competitions. The amount of emails with support and details on how to get involved."

"Thank you for your support last week with completing the School Games Mark application. We were so pleased to get Gold again as this year we have put so much effort into getting our PE and sports to where it was pre-covid and my goal now is to make it even better!"

"Our Children have particularly loved the opportunity of the afterschool football league as this has been something completely new to the school and many of our children are not given the opportunity to be part of clubs particularly the girls".

"Just wanted to pass on my thanks for all the work you do as a team, having an active school sports partnership is so important and really supports local participation rates.

I think you do a fantastic job with getting as many events on the calendar each year. I have loved being a small part of what you have delivered. Thanks again for the amount of trust you have placed on us by using our sports leaders and our facilities for events."

"Please could you also pass my thanks to everyone else on the Inspire Together team for the support they have given me to get up to scratch as a PE lead and making the most out of the Inspire Together membership to give the children as many opportunities as we can."

"Thanks for this, we see this as being really useful information for us moving forward. This can help us to identify our strongest leaders early in their BLS journey. This is a brilliant idea."

" Thanks to you all for a fantastic day...Team Mellor were buzzing and still talking about it today".

"Thank you to you and your team for the amazing job that you all do with providing so many opportunities".

**A big thank you for all of your feedback and support.
From your
Inspire Together Team**
