WHAT CAN FENCING OFFER YOUR SCHOOL AS PART OF YOUR PE & SCHOOL SPORT DELIVERY?

British Fencing Official Core Coach Training & Equipment Hire for School Staff to deliver a unique fencing experience that will capture imaginations.

Growing the skills of your teachers and inspiring your learners to be active go hand in hand. When your pupils want to try something fun and new, you need to be ready to offer it.

Our Core Coach course allows your staff to begin their journeys as fencing coaches. The focus of the qualification is to equip the individual with the know-how to deliver engaging fencing games and activities so your learners will understand the principles of fencing "Sword-PLAY".

Stand Out

With direct support from experienced and knowledgeable British Fencing and Inspire Together coaches you'll gain skills to deliver a range of fencing-themed sessions that are suitable for students of all ages.

Get inspired

We will leave you with the ability to create your very own musketeers, with at least 12 fun-filled games to make sure your pupils are active and fencing within minutes! These games can be delivered using metal, plastic or foam swords, with 6 weeks of equipment hire included in the price of the course to start fencing activity in your school as soon as possible with minimal investment!
